Islamabad: A Pakistani court rejected a petition seeking the disqualification of former prime minister Imran Khan for concealing his alleged daughter Tyrian White while submitting his nomination papers for the 2018 general elections. The petition alleged that Khan had not disclosed his alleged daughter - Tyrian White - in his nomination papers for contesting the 2018 general elections. The IHC rejected the petition after noting that a three-judge bench had previously dismissed it.

# UK raises China lethal aid bogey

AGENCIES / LONDON

British defence minister Grant Shapps said on Wednesday that US and British defence intelligence had evidence that China is providing or preparing to provide Russia with lethal aid for use by Moscow in its war against Ukraine.

Shapps told a conference in London that intel evidence indicated that "lethal aid is now, or will be, flowing from China to Russia and into Ukraine, I think it is a significant development". Shapps did not provide evidence to support his assertion. "We should be concerned about that because in the ear-

lier days of this war China would like to present itself as a moderating influence on Russian President Vladimir Putin, he added. The Chinese embassy in the US said last month it had not provided weaponry, adding that it is "not a producer of or party involved in the Ukraine crisis". The Chinese embassy in London did not immediately respond to a request for comment.

Meanwhile, Russian drones struck energy sites in Ukraine early on Wednesday and knocked out power to over 500,000 consumers in the northern Sumy region, officials said. The Sumy regional authority, in a post on the Telegram messaging app, said the drones attacked the cities of Shostka and Konotop, northeast of Kyiv and near the Russian border. Ukraine's air force shot down seven drones used in the attack, according to the regional authorities. The Ukrainian military claimed that it had shot down all 24 drones Russia launched in the overnight attack, which targeted five oth-

er regions in the country's south and east. The attack on Sumy also impacted power supplies to consumers in the neighbouring Chernihiv and Kharkiv regions. National grid operator, Ukrenergo, said 95% of consumers impacted by power cuts in the three regions after the attack received power on Wednesday morning, as transit through the Sumy region was not disrupted by the drone attacks, industry sources told Reuters.

As Russian troops pushed into northeastern Kharkiv region a little more than a week ago, officials have warned about a possible push into the Sumy region.

# UN suspends food distribution to Rafah

AGENCIES / TEL AVIV

The UN agency for Palestinian refugees, Unrwa, has suspended food distribution in the southern Gaza city of Rafah due to a lack of supplies and insecurity, a spokesperson said.

The UN agency warned its distribution centre and a World Food Programme (WFP) warehouse were now inaccessible because of the ongoing Israeli military operations against Hamas in eastern Rafah. An estimated 810,000 of the more than a million people taking refuge in Rafah have fled since the Israeli opera-

tion began on May 6. Unrwa also said its health centres had not received any medical supplies in the past 10 days. The US said it did not believe any of the aid that had entered Gaza through a floating pier had been distributed to Palestinians.
