### NEW DELHI Manhas, Krishan front-runners for key post

# Euro 2024 matchweek 1 highlights **Ruthless Germany, young stars** arrival and Mbappe dilemma

Agencies NEW DELHI

With Matchweek 1 now in the rearview mirror and the fixtures moving from opening games to potential knockouts are turning intense in the 17th edition of the European Championship. Here are the highlights of the first gameweek.

ARE GERMANY **FAVOURITES?** 

The Deutschland entered their home tournament with a huge question mark over their heads. The side has not been at the top of International football ever since their 2014 FIFA World Cup win and have had issues in creating and finishing chances. Despite it being their home tournament, many questioned whether the side will be able to gel together and make a deep run in the tournament.

The hosts answered all questions being asked in the first half of their game against Scotland as they led the Scottish side by three goals and went on to win 5-1. The

vouthful attacking trio of Musiala, Wirtz and Havertz were effortlessly controlling the game in the final third of the pitch creating and converting in impressive

Over the past decades we have turned to international tournaments to get our doses of the Cristiano Ronaldo's and other stars of the world to enjoy them representing and usually scoring for their national teams. The 2024 Euros has seen an interesting turn of events as the next generation of footballers have stepped up and announced their arrival on the global stage.

16-year-old Spaniard Lamine Yamal, who has had to take a break from school and is also continuing his studieswhile on the training camp, opening fixture.

Phil Foden who is coming off his best ever season with his Premier League club Manchester City once again ghosted in an England shirt which raised the question; Can the talented winger play outside of the extremely well oiled system of Pep Guardiola's team?

France, on the other hand, struggled to finish their chances against Austria. Even Kylian Mbappe hit his chance wide after finding himself one vs one with the Austrian goalkeeper. The team won 1-0 through an own goal scored by Maximilian Wober but it showcased their inability to be clinical in front of goal.

Didier Deschamps' men will reportedly be without Mbappe for their important game against Netherlands and a loss could see them find themselves in trouble. Mbappe has been the team's star goal scorer since the 2018 World Cup and his injury could prove to be a difficult hurdle to overcome for the French side.

He participated in the Doha Diamond League in May, finishing second with a final throw of 88.36 metres, his ninth-best career mark. This was followed by a gold medal in the National Federation Cup Senior Athletics Championships in Bhubaneswar, although

with a modest effort of 82.27m. "Initially, I wanted to compete more this season, but it was not possible due to my niggles," Chopra added

Following his success at the Paavo Nurmi Games, Chopra is set to compete next at the Paris Diamond League on July 7. His preparation for the Paris Olympics includes training at three different venues in Europe alongside his coach Klaus Bartonietz and physio Ishaan Marwaha.
