# Sandeshkhali: HC orders CBI probe, says will monitor; asks state to give support

SANTANU CHOWDHURY KOLKATA, APRIL 10

THE CALCUTTA High Court Wednesday ordered a courtmonitored CBI probe into alleged incidents of sexual assault and land grabbing in West Bengal's Sandeshkhali, saying that "an impartial enquiry" was necessary "in the interest of jus-

tice and fair play". The division bench of Chief Justice T S Sivagnanam and Justice Hiranmay Bhattacharyya also directed the Central Bureau of Investigation to create a "dedicated portal" where complaints can be lodged to ensure confidentiality and provide security to victims and witnesses.

"Considering the overall scenario and complexities of the facts involved, we have no doubt in our mind that an impartial enquiry is required to be done by an agency which has power to

Shahjahan Sheikh of TMC is key accused in

criminal angle stated to be involved... The state has to provide the required support to the said agency to be appointed by us to enquire into the matter," the

The division bench order came while hearing a bunch of petitions filed by women from Sandeshkhali, who have levelled sexual assault allegations against local Trinamool Congress leaders close to suspended party strongman Sheikh Shahjahan. apart from complaints of land

grabbing and violence. The court said the parties will be at liberty to file their complaints before the CBI within a fortnight from the date of receipt

"In order to ensure confidentiality, CBI shall create a dedicated portal/email ID to which the complaints can be lodged and the District Magistrate, North 24 Parganas shall give adequate publicity of the same ...," the court ordered.

Around 600 complaints in the form of affidavits were submitted before the court by petitioner-lawyer Priyanka Tibrewal.

Tibrewal said afterwards, "Seeing the gravity of the complaints, the court today directed transfer of all such complaints to the CBI... It is a victory of the women of Sandeshkhali."

The court noted further, "In the event the complaints disclose cognizable offence, CBI shall proceed in accordance with the law. CBI shall file a comprehensive report as to the steps taken in this regard on the next

"It goes without saying that CBI shall have the power to require any person, organisation, government authority, police authorities, quasi governmental authorities, NGOs, public spirited persons and others who may be genuinely interested in the matter to furnish information on such points or matters...." it said.

"With regard to the protection to the victims and witnesses, CBI shall issue necessary directions to the state police as to how and in what manner protection can be granted without insisting upon the strict procedure as stipulated under the witness protection scheme," it said. Ordering installation of CCTV cameras in sensitive places and

sanction necessary funds. The court will hear the matter next on May 2.

LED streetlights in Sandeshkhali

within 15 days, the court di-

rected the state government to

order. "The court felt that there is merit in the complaints of the women in Sandeshkhali and therefore it has asked the CBI to probe. It also felt that the state police cannot conduct an impartial probe as they are used to protecting TMC leaders who are re-

sponsible for unleashing terror

in Sandeshkhali," said BJP state

president Sukanta Majumdar.

Trinamool Congress spokesperson Kunal Ghosh said, Whenever such a strong order is delivered, which goes against the state government, it feels like (former Justice) Abhijit Gangopadhyay has quit, but left his shadow on the judge's chair... He had shown that there is a tendency among judges at Calcutta High Court to sympathise with the BIP and have an anti-TMC mindset. Their aim is to provide oxygen to the BJP ahead of elections and put the state government in a spot."

It has also informed the poll

panel that the party has about

100 "undisclosed" immovable

assets in the form of office build-

These bank funds and offices

are being used by the CPI(M) for

undertaking political activities,

the agency has alleged in its re-

port to the EC. The agency sus-

pects that these movable and

immovable assets have not been

ings in the Thrissur district.

## QS ranking: 11 of 18 IISc programmes see drop from last yr

INU's 'Development Studies' best in India; DU improves in 12 of 30 entries

RRADHIKA

NEW DELHI, APRIL 10

IN THE latest edition of the QS World University Rankings by Subject released Wednesday, several programmes offered by the Indian Institute of Sciences saw a significant drop from last year.

The Chemistry programme at India's most prominent Institute of Eminence (IoE) fell 31 places. from 77th to 108th. The institute's Physics and Astronomy programme was ranked 134 this year, down from 110 the previous year. In a similar vein, the institute's mathematics rankings dropped by 18 spots, ending up at 134 from 116th in 2023.

Out of the total 18 entries from the IISc, just three programmes gained in rankings while 11 programmes declined. The decline in ranks, however, does not indicate "deterioration in academic excellence", according to QS Ranking officials. A drop in its H-index that measures productivity and impact of research done by scholars and scientists has been the primary reason for the drop in rank-

ings, the QS spokesperson said. The slight shifts observed in the IISc's standings in certain subjects do not necessarily signify a deterioration in academic excellence. Rather, they reflect the evolving landscape of global education, where other institutions may be advancing at a faster pace specific metrics," the Quacquarelli Symonds said in a written response to questions

"...these changes are mostly attributable to a declining performance in research indicators such as Citations per Paper, H-Index, and International Research Network," the QS responded.

A total of 69 Indian universities made it to the rankings with 424 entries, which marks a 19.4% rise from the previous year's 355 entries. University of Delhi, with 30 subject entries this year. showed improvement in 12 subjects such as Anthropology, Developmental Environmental Sciences.

IIT Bombay's Chemistry programme broke into the global top-100 by obtaining 94th rank up from previous year's 116th spot. Overall with 28 entries, IIT Bombay showed improvement in 17 of its entries this year. Programmes like Chemical Engineering (64th rank, up by 13 ranks), Mineral and Mining Engineering (25th rank, up by 12 ranks) gained in global 100 ranks.

The Computer Science Engineering programme at IIT Delhi rose to the 63rd rank from the 67th position the previous year. A newcomer in the field, lawaharlal Nehru University's Development Studies is the highest-ranked in India. The university also bagged 11th rank in the 'academic reputation' category However, the sociology programme at JNU which was ranked 68 last year has dropped to 91st spot this year.

The IIM Ahmedabad broke into the global top-25 for the subject Business & Management

Rajasthan man waits 22 years for revenge, kills uncle, burns body

PRESS TRUST OF INDIA KOTA (RAJASTHAN), APRIL 10

SOLVING THE murder mystery of a half-burnt body and motorcycle found in a field two days ago, the police Wednesday arrested the deceased man's nephew, who had allegedly nurtured revenge for 22 years against his uncle for "molesting" his wife.

Baran SP Raj Kumar Choudhary said a half-burnt body of a man, with his motorcycle also burnt, was found in an agricultural field under the Baran Sadar police station area on Monday afternoon and the identity of the deceased man was later established as Phoolchand Mali (50) of the Bamla village.

On the basis of technical investigation and interrogation of the suspects, a police team led by Subinspector Chuttan Lal Meena solved the murder mystery on Wednesday and arrested Radhyshyam Mali (42), the deceased's nephew Choudhary said.

Investigation revealed the crime was committed on Saturday night last week when the accused invited his uncle on the pretext of the arrival of some guests, he said adding the accused first killed Phoolchand and then took his body and motorcycle to another field and burnt the body and motorcycle with petrol, he added. The deceased man's maternal nephew suspected Radhyashyam, Meena said.

marks over Phoolchand's face confirmed the suspicion and when he was interrogated, he allegedly confessed to the crime, the sub-inspector said. The police booked Phoolchand Mali under sections 302 and 201 of the IPC and arrested him, he said.

## SC stays PMLA trial against poll bond donor No. 1 Martin

PRESS TRUST OF INDIA NEW DELHI, APRIL 10

THE SUPREME Court on Wednesday stayed the proceedings before a special court in a money laundering case against 'lottery king' Santiago Martin, whose company donated the most to political parties through the controversial electoral bond

A bench of Justices Abhay S Oka and Ujjal Bhuyan issued notice on a plea by Martin challenging the March 16 order of a special PMLA court in Kerala's Ernakulam dismissing his petition for keeping in abeyance the trial in the money laundering case registered by the Enforcement Directorate (ED).

Senior advocate Aditya Sondhi and advocate Rohini Musa, who appeared for Martin, said that the special court ought to have considered that the trial in the Prevention of Money Laundering Act (PMLA) case can commence only after the conclusion of the trial in the predicate (main) case. The ED usually registers a

abduction, extortion case

money laundering case on the basis of an FIR or probe conducted in corruption or tax evasion cases by relevant central agencies like the CBI and the Income Tax department which constitute the predicate or scheduled offence.

On March 16, the special court had dismissed Martin's application for keeping in abevance the trial in the ED case until the trial in the matter involving the predicate offence registered by the CBI in an alleged lottery scam case has concluded. He has moved the apex court

against the PMLA court's order. Referring to the 2022 verdict in the Vijay Madanlal Chaudhary case, he said proceedings under PMLA cannot continue once there has been an acquittal or

discharge in the predicate case. The appeal, filed through advocate Rohini Musa said, "The present petition raises a significant question of law that in the event of the trial of the predicate case being transferred to the jurisdictional Court in seisin of the trial of the PMLA case, then in the should take precedence." The plea said the CBI case is the alleged predicate case and it has been transferred/committed to the Special Court vide order dated September 28, 2023.

"The application for discharge in the predicate case was filed by the Petitioner and is pending consideration. That in the event of the petitioner being discharged in the predicate case, there will be no question of continuation of PMLA proceedings," it said. Martin said, based on the 2022 judgement of the apex court in the case of Vijay Madanlal Choudhary, an acquittal in the predicate case would automatically result in non-continuance of proceedings under the PMLA and therefore, in the sequence of trial, it ought to be the trial of the predicate case that

needs to be given precedence. He said the SC, in judgments relevant to the case, has held that in the event of acquittal or discharge or quashing of the scheduled offence, the prosecution for the offence of money laundering will automatically be deemed to

### CPI(M) has links to 80 bank accounts, 100 offices in Thrissur, ED tells EC

**PRESSTRUST OF INDIA** NEW DELHI, APRIL 10

THE ENFORCEMENT Directorate has written to the Election Commission claiming that a money laundering investigation has found that the ruling CPI(M) in Kerala has about 80 "undisclosed" bank accounts and about 100 unreported immovable assets in the Thrissur district of the state, official sources said Wednesday.

The federal probe agency said it came across these assets while investigating affairs of the Thrissur-based Karuvannur Service cooperative bank in which it had questioned Kerala CPI(M) MLA and former cabinet minister A C Moideen. Official sources told PTI that

the agency has informed the Election Commission (EC) that the party has links with about 80 "undisclosed" bank accounts that have about Rs 25 crore worth of deposits. The deposits found in these bank accounts were majorly remitted in cash, the ED has claimed.
